

Introducing **FRIENDS OF THE ROYAL CORNWALL POLYTECHNIC SOCIETY**

A way for businesses to both support The Poly and make a valuable contribution to our community.

The Poly has been a key cultural hub at the very centre of Falmouth and Cornwall since 1833. Community is at the heart of what we do. We want to work together with Cornish businesses to keep our county vibrant, exciting and prosperous.

Becoming a Friend means you will be supporting your local community with additional benefits for you that vary depending on which package you choose. These include discounted or free hire of the library, complementary tickets or publicity for you through our brochures and website.

As a cultural community hub for Falmouth we already offer:

- A wide ranging cinema programme for all
- National and local theatre, music and dance performances
- Opportunities for local children, amateur and professional actors to rehearse and perform
- Exhibition space for local artists and makers and sales opportunities through our Guild shop
- Events engaging with community and social issues
- Discounted tickets for students, seniors and those on benefits

Last year we ran 320 events, selling over 18,000 tickets to people from across Cornwall (and beyond!). We know our audiences and can help you to get to know them too.

We also offer unrivalled space in Falmouth for your meetings, product launches, receptions or other client entertainment opportunities. Do talk to us about any events or activities you are planning.

You can support us at three different levels or we can provide bespoke opportunities for you. Prices for our various packages range from £75 to £1,500 per year, please see overleaf to see what each package includes.

We look forward to working with you.
