

Artist Callout!

#Poly200

Calling all local painters, sketchers, designers & doodlers!

As part of the Poly 200 fundraising drive we are launching a 'Secret Postcard Exhibition'!

What?

Artists design and draw/paint (whatever you like!) an A6 postcard and sign the reverse. These are then collected and displayed in our Main Gallery. All funds raised through sales will go towards our Poly 200 fundraising Campaign!

Where?

The Exhibition will begin on 6th August in the Main Gallery, please submit all cards by July 13th.

Why?

In less than 10 years The Poly will be celebrating its 200th anniversary in 2033!

To celebrate this monumental milestone, we are launching our '£200'000 For 200 Years' fundraising campaign to raise money to support our work and ensure we will be here for another 200 years!

In these challenging economic times we need your help to enable us to grow and develop our offer, improve our building and keep delivering a varied cultural programme for our communities in Falmouth and wider Cornwall.

Want to get involved? Register your interest by emailing guild@thepoly.org or drop in and collect your blank postcards from Box office during opening hours (Tue-Sat 10-5pm)
