  - In addition to tables and chairs, other general equipment may be available for use – please let us know what you specifically need for your event, and we'll let you know if we can help!
  - We also have a grand piano on site

Please discuss all your technical requirements with staff. We will be happy to do all we can to meet your requirements.

## ACCESS

Please note this space has no wheelchair/level access. We are aware this presents a huge issue, as a venue that aims to be accessible for all, and we are working to provide a solution to this in the future.

Access via the front of the building via two staircases. The first step from the street has no handrail, each internal staircase has handrails. There are 14 steps from the street to the front of the theatre and then a further 21 steps up to the Main Gallery.

By special arrangement, there may be the option to access the Main Gallery from the rear of The Poly, which would be via one staircase with 11 steps and handrails (plus the doorstep).
